

## **Press Info M&G**

M&G (short for Meijer & de Groot) is a band from Eindhoven, The Netherlands. M&G composes and plays their own music in a Pop Rock Style, sometimes Blues, sometimes with a touch of Americana. The typical sound is best recognized by tight guitar-solos, harmonies and personal lyrics, completed with soundscapes. M&G music is a reflection of many of their influences in a view of current events.

The band consists of Jacqueline Meijer (Lead Vocals) , Margo de Groot (Keyboard/Vocals), Gerrit de Groot (Guitar/Vocals), Marc Meijer (Bass Guitar). Their newest release, the CD "Out of the Blue," debuted in the national album charts in the Netherlands, and continues to win acclaim with fans and critics. The Title Song won an American Award for the best pop rock song in February 2017.
